raising funds for Colorectal Cancer
Awareness, Detection and Research

A MESSAGE FROM THE BOARD OF DIRECTORS

Please join us for the 17th Annual Bobbie Nick Voss Golf Classic, to be held Monday, August 28 at North Hills Country Club.

Colorectal cancer is the third most common cancer diagnosed in the United States, and the second leading cause of cancer deaths in men and women combined. The Bobbie Nick Voss Charitable Funds raises money to support colorectal cancer awareness, detection and research. Thanks to the generosity of our many golfers, donors and sponsors, the Bobbie Nick Voss Charitable Funds has:

- Raised in excess of a net \$1,092,000 at the Bobbie Nick Voss Golf Classic.
- Established the Bobbie Nick Voss Laboratory for Colorectal Cancer Research at the Medical College of Wisconsin. We are also helping to support clinical trials for organ preservation on cancer patients.
- Partnering with Froedtert & the Medical College of Wisconsin, Bobbie Nick Voss Charitable Funds continues to save lives with colonoscopies and non-invasive tests for early diagnose of colorectal cancer. This partnership, which started in 2008, provides funding for colonoscopies and testing of patients in the Greater Milwaukee Area who lack the financial means for colorectal screenings. These screenings, coupled with education and in some cases treatments, gives patients a fighting chance to battle this disease. We ask for your participation in this worthwhile event and are confident its success will continue to make a difference in people’s lives in Southeastern Wisconsin.

Included in this brochure is information on our event along with the registration form, sponsorship levels, program ads and the auction donation form. Thank you for supporting the 17th Annual Bobbie Nick Voss Golf Classic.
